## Responding Well

*Are you a regular worshipper or visitor to our church?*

*Do you have a concern or worry about someone – a family, child, or a situation in the church and/or your local community?  
Have you had a gut feeling about something and it's troubling you?  
Are you concerned for yourself?*

*We have people who you can talk to who will know what to do or where to go for help:*

*The preacher at the service you have been in;  
The Minister of this church;  
A Steward in this church;  
Someone in a role within this church – there is a church safeguarding officer in the church;  
(There may be photographs up in the church of key people to talk to)*

*If you would prefer to phone somebody outside of the church please call 07733 158213 (Circuit Safeguarding Officer) and/or 07758 239286 (the District Safeguarding Officer)*

**PLEASE talk to someone.**

*We have learned a lot about the importance of listening to people's concerns, taking them seriously and getting them the most appropriate help and support*
